FULFILLING ONE'S DESTINY ON EARTH

Fulfilling one's destiny on earth is the greatest achievement one can ever have. In this wise it is considered "**GOOD SUCCESS**".

- Destiny is the purpose for which a person is created.
- Destiny is that uniqueness about a person.
- Destiny is that which is meant for only you and in which only you can do.
- Destiny is God's plans for a living being.
- Your destiny is who God wants you to be.

The only total success in life, the only good success in life, the only thing God expects from you is to **fulfil your destiny**. Now, such as our thumbprints are different, so our purpose here in earth differs. So beloved, don't be envious of the runner in the lane next to you; just focus on finishing the race.

Don't say my friend is already in the spotlight, I'm still here in the dung. **NO!!** Remember that the way we are to live our lives should be according to God's purposes, no wonder the bible says "**the thought of God towards us is of good and not of evil to lead us to an expected end**".

Beloved, **GOD DOESN'T MAKE JUNK!!** Now beloved, fulfilling your destiny is not a self-centred thing

HOW ??

1. When you get a new product or machine, you definitely need the manual to put you through. That is why you need the instructions from your creator on how to fulfil your destiny. Beloved, God made you for a purpose.
2. As we let our own light shine we unconsciously give other people permission to do the same. As we are liberated from our fears, our presence automatically liberates others. Beloved you need to know that some destinies are attached to yours. So, as you fulfil your own destiny you unconsciously inspire other people to do the same.

However the devil moves to and fro seeking whom he may devour, looking for those that can be easily distracted from fulfilling God's purposes for their lives. The devil sets distraction for every being that wants to fulfil God's purposes.

Moreover we are not ignorant of the devices of the devil, because all the devil came to do is to kill, steal, and destroy. Distraction such as money, fame, sex, and so on are all from the devil.

Nonetheless, the bible says "**flee from all appearances of evil**" and that beloved is the only solution to escape the trap of the devil. It is left to you to fulfil God's purpose for your life.

Beloved, God has substitutes, HE is just like a **coach**, if you are not playing well on the field of play, HE will substitute you. That is why you have to be plain before God in order to fulfil your destiny because **GOD DOESN'T PLAY DICE!!**
